

KNIT'S ISLAND

LONG MÉTRAGE

2023 / 1 H 35 / FRANCE

Photo du film Knit's island © Les films invisibles

SYNOPSIS

Quelque part sur internet, il existe un territoire dans lequel des communautés simulent une fiction survivaliste. Les avatars des réalisateurs de Knit's Island y ont passé 963 heures, tournant un film fascinant à la rencontre de ces individu·e·s. Les « joueur-euse·s » y dévoilent leurs fantasmes et leurs peurs, dans un brouillage parfois troublant entre virtualité et réalité.
